Case No. 1:20-cv-05917-ENV-TAM

**SUPPLEMENTAL DECLARATION OF MORGAN KIMBALL REGARDING
DISTRIBUTION PLAN**

I, Morgan Kimball, declare and state as follows:

1. I am a Project Manager employed by Epiq Class Action & Claims Solutions, Inc. (“Epiq”). Pursuant to the Court’s Order Granting Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement (the “Preliminary Approval Order”) dated August 24, 2023 (Dkt. No. 67-1), Epiq was authorized to act as the Claims Administrator for the Settlement in the above-captioned action.¹ The following statements are based on my personal knowledge and information provided by Epiq employees working under my supervision, and if called on to do so, I could and would testify competently thereto.

2. I submit this Supplemental Declaration in order to provide the Court and the Parties to the Settlement with updated information regarding the disposition of Claim Forms.

ADDITIONAL CLAIM REVIEW

3. As described in the Declaration of Morgan Kimball Regarding Distribution Plan (Dkt. No. 85) (“Distribution Declaration”), as of June 20, 2024, Epiq had completed the processing of the 22,282 claims that were postmarked or submitted online through May 1, 2024, and had

determined that 4,879 claims should be accepted (with 4,477 acceptable in whole and 402 acceptable in part), and that 17,403 should be wholly rejected because they are ineligible, wholly deficient, or have no Recognized Loss when calculated in accordance with the Court-approved Plan of Allocation.

4. Additionally, as stated in the Distribution Declaration, Epiq and Lead Counsel recommended that no new Claim Forms be accepted after May 1, 2024, and no responses to deficiency and/or rejection notices be received after June 14, 2024.

5. After the Distribution Declaration was filed, in consultation with Lead Counsel, Epiq had additional communications with a Claimant regarding their claimed transactions. Epiq performed an additional review of their supporting documentation that was submitted to the Claims Administrator prior to the cut-off date of June 14, 2024. As a result of this review, the Recognized Loss for this claim (Claim Number 800001172) increased by \$40,900 from \$124,650.00 to \$165,550.00, and the disposition of the claim went from being accepted in part to being accepted in whole. Epiq recommends accepting this updated claim determination. An updated disposition of Claim Forms, reflecting this claim's updated determination, is below.

UPDATED DISPOSITION OF CLAIM FORMS

6. For the 22,282 claims that were postmarked or submitted online through May 1, 2024, Epiq maintains that 4,879 claims should be accepted and 17,403 claims should be rejected. However, as of July 29, 2024, of the 4,879 claims that should be accepted, 4,478 are acceptable in whole and 401 are acceptable in part, since the claim described above is now acceptable in whole.

7. The 4,879 claims recommended for acceptance represent an updated total Recognized Loss of \$41,504,799.43 (an increase of \$40,900 compared to \$41,463,899.43 in the Distribution Declaration) under the Court-approved Plan of Allocation. Of that total, Timely

Eligible Claims represent \$36,469,834.04 (an increase of \$40,900 compared to \$36,428,934.04 in the Distribution Declaration), and Late But Otherwise Eligible Claims remain at \$5,034,965.39.

8. An updated version of Exhibit B-1, which lists all timely filed, accepted claims and states their Recognized Loss, is attached hereto. This updated list reflects the updated claim determination for Claim Number 800001172 recommended in Paragraph 5, *supra*. Exhibits B-2 and B-3 of the Distribution Declaration remain unchanged.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge.

Executed on July 29, 2024, in Seattle, WA.
